FREE TUTORING PROGRAMS

To enable our students do their best, Academic Excellence sponsors three free programs at TLHS for students who'd like some individualized instruction.

TEACHER TUTORING

Students simply need to show up at the designated classroom on the scheduled day to receive help from a Terra Linda teacher. Here's the schedule:

DAY	TIME	SUBJECT	ROOM	TEACHER
MON	3:15-4:15	ENGLISH	Rm. 303	Ms. Behling
MON	3:15-4:15	SOCIAL STUDIES	Rm. 404	Ms. Pope-Garcia
			Rm. 410	Mr. Baker
TUE	3:35-4:35	MATH	Rm. 108	Ms. Halonen
WED	3:35-4:35	SCIENCE	Rm. 204	Mr. Collier
THU	3:15-4:15	SPANISH	Rm. 403	Ms. Mendoza

PEER TUTORING

Our California Scholarship Federation students (honor society) offer tutoring, by appointment, to all students at Terra Linda. Students are strongly encouraged to seek out this service if they feel more comfortable working with their peers. This tutoring is a weekly commitment until the service is not needed. In order to sign up, interested students need to pick up a 'Tutee Application' form from their Counselor or from Ms. Halonen in Rm. 108, fill it out, and return it to Ms. Halonen. She also has a list of peer tutors available to work outside of school for elementary, middle and high school students. These tutors may charge a fee or do it for community service hours, as this is their free time.

AFTER SCHOOL TUTORING IN THE LIBRARY

It is taught by volunteer adult tutors who are experts in their fields: former HS teachers, college professors, PhDs, even MIT graduates. They can tutor every class of science, math, history, English or government and each one has passed the school district's strict screening for adult volunteers. They come to the library as needed. To set up an appointment, students check in with Mr. John Gilluly, the librarian. He contacts the tutor and sets up the appointment.

- Please note that there have been a significant number of students that have not shown up for their scheduled appointments with peer and adult tutors. In order for us to be able to continue these valuable programs, we urge parents to stress to their students the importance of keeping the appointments or be responsible for notifying the tutors of cancellation.

Getting help early can often make the difference between an enjoyable high school learning experience and an unpleasant one. Stay in touch with your student and find out if they're having trouble in a class. If so, please urge them to take advantage of these free programs. We want all students to succeed and we're working to make success happen. Urge your student to take advantage of this free help.

Terra Linda HS Home & School Club!

(meets the first Wednesday of each month in the library at 6:30pm)

Terra Linda Home & School Club and OneTL Merge

Terra Linda High is very fortunate to have so many parents involved in our school. We have many parent groups; OneTL, Home and School, Athletic Boosters, Academic Excellence, Music Boosters, Scholarship Foundation and Safe and Sober Grad Night. For the past several years, OneTL has been the umbrella organization for the booster groups. However, there has been some confusion as to the understanding of OneTL and its redundancy. We also find that most parents coming into high school are familiar with Home and School and its functions. With this in mind, the OneTL board has agreed to merge with the Home and School Club.

This merger will streamline our parent groups to run more efficiently. We will have one less board to fill, one less insurance policy to carry and one less meeting a month. Home and School will become the umbrella organization for the booster groups. Home and School will expand its board to include the Booster reps, OneTL treasurer and a corresponding secretary.

OneTL will still exist as the name for our annual fund campaign and our annual auction. Your donations to OneTL will continue to be distributed to all of our booster groups. There will no longer be OneTL meetings on the 2nd Tuesday of each month. The new Home and School board will keep its regular meeting schedule of the 1st Wednesday of each month. The next Home and School Club meeting is Feb 6, Wednesday, at 6:30pm in the Library. There is NO meeting in January. Thank you for your continued support for Terra Linda High Home and School Club and the Booster Groups.
